

Do you hear what I hear?

(Sing to Carrie Underwood's Arrangement: <https://www.youtube.com/watch?v=nQK8FWYJlxA>)

1. Said the coxie to our crazy crew

Do you see what I see
Just ahead of us crazy crew
Do you see what I see
A sleigh, a sleigh
Gliding through the night
Is it Santa? oh what a sight
Is it Santa? oh what a sight

3. Said our number seven to the rest of us

Do you know what I know
In our rowing shell, everyone
Do you know what I know
Row hard, row hard
Santa's off our bow
All row harder, don't fail me now
All row harder, don't fail me now

2. Said our crazy stroke to our number seven

Do you hear what I hear
Calling out to us, number seven
Do you hear what I hear
Our cox, our cox
Telling us to row
Go catch Santa, Ho Ho Ho Ho
Go catch Santa, Ho Ho Ho Ho

4. Said our crew to the disappointed cox

Listen to what we say
It was close, disappointed cox
Listen to what we say
So fast, so fast
He flew off in the night
Can't catch Santa's magical light
Can't catch Santa's magical light
Happy Christmas, merry and bright
